# Introduction

We've compiled some basics you may need to know while covering Ixaris.

If you can't find what you're looking for, or to arrange an interview, we'd love to talk.

# Boilerplate

Ixaris is a payment optimisation company with an extensive portfolio of virtual Mastercard and Visa cards that helps companies make smarter payment choices.

From launching Europe's first virtual cards to shaping the future of airline payments, innovation is in Ixaris' DNA. London-based with offices in Brussels and Malta, Ixaris is also a principal member of Visa and Mastercard.

PRODUCT

# Ixaris Payments

Smarter payments, better margins.

## Essentials

Ixaris Payments Essentials is a virtual card platform for paying suppliers instantly, anywhere Visa is accepted.

---

## Pro

Ixaris Payments Pro is an award-winning payment optimisation platform that combines flexible funding with an extensive portfolio of Mastercard and Visa cards.

# Leadership

Aran Brown

CHIEF EXECUTIVE OFFICER

Aran's career spans 14 years in the financial services and payment sector, including senior positions at Fortune 500 companies Travelex and Western Union. Aran was a member of the management team that oversaw the sale of Skrill to Optimal Payments (now Paysafe) for €1.1 billion in 2015.

Iain Balchin

CHIEF FINANCIAL OFFICER

Iain specialises in accelerating the maturity of high-growth financial services companies. Iain previously served as CFO at World Remit, Wizink Bank, and Ascot Lloyd Financial Services, and held senior financial roles at St James Place Wealth Management, Standard Chartered Bank, Credit Suisse, and Lloyds.

Mark Anthony Spiteri

CHIEF OPERATIONS OFFICER

Mark Anthony joined Ixaris Group 14 years ago as a junior developer and employee number five. Today Mark Anthony is a seasoned player in the payments sphere, leading team of over 90 people in Ixaris' UK, Belgium, and Malta offices.

Georg Von Brevern

CHIEF LEGAL & COMPLIANCE OFFICER

Georg is an experienced General Counsel and Chief Compliance Officer with 12 years of experience at Skrill and Kantox, which he helped build and scale in regulated environments. A lawyer admitted to the bar in Germany, previously, Georg held roles with GE Commercial Finance and KPMG.
